

1842

Gustave Kahn
14 Carondelet St.,
New Orleans
Residence 15 N. Rampart

J. W. Troeger, Prof.
Chautauqua, Miss.
Harrison Co.

April 14, 1892

Left Washington at
P.M. for Savannah

grain corn
Pine crops west of corn
Musk Rat houses in
pods 5 mi. N. of
Quantico

Maples & Willows &
Apples in blossom
Musk Rat houses lots
Fredericksburg is a
dilapidated village
size of Elk River
Milford

Dark before we reach
Richmond
not much change

From Washington to
Richmond, Va. &
light timber except
where cleared.
Some swamps and
marshes, most of the
farms are poor. Soil
looks bleached & dead.
Crops look slim.
Farmhouses are poor
& tumble down.

Some places along
the Potomac are pretty

April 5.

Daylight at
Chadbourne, N.C.
All pine woods with
little clearings &
log houses.
Fields full of stumps &
trees, level country
sandy, but a good
soil, good grass &
vegetation. Buckles
in blossoms & lots
of other trees & plants.
Some swampy places.
Some thick underbrush
of holly & laurel & plants
I never saw before.
Some Spanish Moss.
Some beautiful places.
Marion

Making Tar

Florence, S.C.

Overlooked track, got
2 pines.
A few junipers in yard at
Florence.
A *Vaccinium* in bog.
Violets - white
Jacks
Pinus palustris? &
mitis? about equal.
Colored rimmers
plowing with one horse
& shredding manure
from their rans -
A donkey plowing with
an ox.
Cypress in swamps
Just north of
Florence
Charleston, did not
see much of the town.
Phosphate beds + water

a little palm like
plant in marsh 3 miles
S. of Charleston.
Live Oaks begin 3 mi.
S. of Charleston.
Turtle in pool at
Saltwater

Georgetown hills come between
Savannah River &
Savannah

Riceboro, Ga, April 7, 1912
